WELCOME to Your Annual Asheville “A-1” Autumn Leaves Scrabble® Tournament

We’re going to keep announcements to a minimum during the tournament so consider looking this over carefully. Confirmation of registrants is Sat. morning 8:30-9:00 AM at the Senior Opportunity Center in downtown Asheville.

- ▶ There will be a total of 8 games played on **Saturday**. 4 games will be played starting at **9 AM**. There will be a lunch break and the last 4 games will be played **starting at 2:30 PM**. Most of you will have at least 1½ hours for lunch. We will have some recommendations, and plenty of good restaurants are within walking distance! After your last game Saturday afternoon, reconcile your scorecard with the posted results at least through the first seven games, if not all eight. Keep your scorecard, but do report any discrepancies to the data manager.
- ▶ There will be a total of 6 games played on **Sunday**. Wear that nametag again! We will not have assigned tables and your opponent will be looking for you, and might need to see your nametag. 4 games starting at 9 AM, then a shorter lunch break. The last two games on Sunday will be played **starting at 2:00 PM**. Before the last game (around 3 PM) take a very short break while we determine the King of the Hill pairings for some divisions. Gibson rule applies.
- ▶ Winners turn in your tally slips after each game with a “victory walk” to the data management area. **Be sure to 1) record the ROUND NUMBER on the tally slip and 2) double check the spread**, vital information to the data managers. Please keep your own contestant scorecards up-to-date with legible and accurate data. Opponents’ signatures not required on contestant scorecards. You will ultimately keep your scorecards, but you will need to reconcile them periodically with the posted results. If there are big computer problems (yikes!) we would rely on the scorecards! You may want to write in your opponents only for a half-day session at a time, just in case there are dropouts or revisions in pairings as we go along.
- ▶ Please try to keep the noise level down and we’ll try to keep “shushing” (good word!) to a minimum. Make sure your name is somewhere on your clock, board, and racks that you kindly brought to the tourney as requested. We will not assign table locations for each game, so you and your next opponent can simply find an available spot within your division area to play. We will have several extra set-ups for each division, so there should be minimal waiting once you find your next opponent. Do not move any gear once it has been set up for that day. If you have a favorite rack that you prefer to keep with you, please do leave a pair of racks with your gear that you have set up. We are assigning which player goes first by computer, possibly drawing for first in some situations in the last game or two.
- ▶ Cash prizes for high turn (high word), high game, high loss and best performance improvement in each division! Ties for best performance will go to the lower seeded player. *You must be present to win* the door prize at the end of the awards ceremony.
- ▶ Those who are new to tournament play please request an additional information sheet. Urgent problems or snafus:
