

GTA Championship

North York Qualifier

June 17th, 2017 - 8 games - \$40 entry fee

How it works:

- top 2 finishers at each of the four qualifiers automatically advance to the elite 16-player GTA Championship in December!
- earn Qualifying Points by placing 3rd (5 points) or 4th (3 points), as well as collecting one point for each win!
- 1 wildcard pick will be based on who attends the most of the qualifiers, ties broken by Qualifying Points
- the rest of the GTA Championship players will be invited based their Qualification Points total over the four qualifiers (wildcard pick chosen last)

\$15 out of your \$40 entry will go towards the prize fund of the GTA Championship! The rest, after NASPA participation fees and snacks, will be returned as prizes. The dates and locations of the other 3 GTAC Qualifiers have yet to be determined (likely in September, October, and November in various parts of the GTA). To qualify for the GTA Championship, you must live in the Greater Toronto Area (see map on GTAC flyer). GTA Championship flyer can be found on the cross-tables registrants list.
